PART I. DURABLE POWER OF ATTORNEY FOR HEALTH CARE

I,_____, of
(name of principal)

_____
(address)

hereby appoint_____, of
(name of agent)

_____

_____
(address and telephone number of agent)

As my attorney-in-fact ("agent") to consent to, to reject, or to withdraw consent for medical procedures, treatment, or intervention.

2) In the event the person I appoint above is unable, unwilling or unavailable to act as my health care agent, I hereby appoint as my successor agent:

_____, of
(name of successor agent)

_____

_____
(address and telephone number of successor agent)

3) I have discussed my wishes with my agent and my successor agent, and authorize him/her to make all and any health care decisions for me, including decisions to withhold or withdraw any form of life support. I expressly authorize my agent (and successor agent) to make decisions for me regarding the withholding or withdrawal of artificial nutrition and hydration in all medical circumstances.

4) This power of attorney becomes effective when I can no longer make my own medical decisions, and is not affected by physical disability or mental incompetence. The determination of whether I can make my own medical decisions is to be made by my agent, or if he or she is unable, unwilling or unavailable to act, by my successor agent, unless the attending physician determines that I have decisional capacity.

5) When making health care decisions for me, my agent should think about what action would be consistent with past conversations we have had, my treatment preferences as expressed in this document, my religious and other beliefs and values, and how I have handled medical and other important issues in the past. If what I would decide is still unclear, then my agent should make decisions for me that my agent believes are in my best interest, considering the benefits, burdens, and risks of my current circumstances and treatment options.

I give the following instructions to help guide my agent:
